

## **Boil Water Rescind Notice**

On February 18, 2021 the Texas Commission on Environmental Quality (TCEQ) required our public water system, the City of Huntington Public Water System ID# 0030002, to issue a Boil Water Notice (BWN) to inform our customers that due to an interruption in service, water from our system must be boiled prior to consumption.

Our system has taken the necessary corrective actions to restore adequate pressure, disinfectant levels, and/or bacteriological quality and has provided TCEQ with testing results that indicate that the water no longer requires boiling as of February 24, 2021.

If you have any questions concerning this matter, you may contact Shane Price at 936-414-9510.

If a customer wishes to reach TCEQ, they may call 512-239-4691.
